Originally built as a covered terrace, this room has been cleverly designed to incorporate both a usable living space along with bringing the outdoor space inside, with sets of French doors which open to enjoy the beautiful sunshine. A further main entrance door leads into the LIVING ROOM/DINING ROOM, another comfortably large space with plenty of storage and a feature WOOD BURNER set into a fireplace, AIR CONDITIONING, a separate dining area with ample space for 6/8 seater dining table, and open into the KITCHEN which is fully fitted and includes modern appliances including fridge/freezer, dishwasher, washing machine and oven/hob with extractor over. All of the trees, plants and shrubs are mature and irrigated and includes a small orchard incorporating (to mention a few) trees such as grapefruit, avocado, lemon and orange. There are two entrances to the property, one personal and one vehicular which leads to a very large CARPORT.The POOL AREA gives the vibe of sitting around a hotel swimming pool, cocktail in hand, admiring the tranquility and surrounding views. The pool itself is a larger than average 10m x 5m in size with roman steps and partly solar powered. At one end you find a raised TERRACE for sunbeds, the other end a GAZEBO, the perfect area for al fresco dining.If this isn't enough to tempt you, then we have even more opportunities with this villa with the HUGE UNDERBUILD (measurements on request), which is mostly full height and fully tiled which is the ideal opportunity to convert into rental accommodation with plenty of space for a separate 2 bedroom apartment.The villa is certainly "one to view" and will make a perfect home for somebody who wants a property to move into immediately, yet with the potential to extend.
