Essential House is a project of single-family homes with 3 or 4 bedrooms and 3 full bathrooms, two of them ensuite. The plots, between 590 and 700 m<sup>2</sup>, face south and have views of the sea and the mountains, where light bathes all the rooms. The homes are equipped with hot and cold air conditioning, high-end appliances and a selection of top-quality materials. They also have a large garden area and a private pool. They are located in Sierra Cortina Resort, one of the most prestigious developments on the Costa Blanca. Turnkey
