Mediterranean style villa with a lot of potential in Ciudad Quesada. The villa goes over one level and consists of 2 double bedroom, 1 single bedroom, an office, 2 bathrooms, a dining room, a living room with fireplace and a kitchen. There is also an entrance area and a utility room. The property is equipped with a gas fireplace (natural gas), air condition (hot / cold) and osmosis filter in the kitchen. The villa has a lovely south facing garden with a lot of space for outdoor entertaining and relaxation. The garden has a lot of potential and you can already find a swimming pool and a barbecue area. With a little bit of work, this can be a stunning garden. In the garden you can also find parking on the plot (carport), a storage room and a small roof terrace with views of the salt lake.
