Located in the highest part of Campoamor (Orihuela Costa), the complex represents the essence of what it is like to live in the Spanish Mediterranean. This is the definition of this new development that offers apartments and penthouses of 2 and 3 bedrooms with large terraces, kitchens equipped with modern appliances and the most exclusive details.

In addition to the ornamental components of the garden, the common areas of the residential complex include a large indoor heated swimming pool, as well as a sports area to enjoy outdoor exercise, a gym, a children's play area, as well as a large outdoor pool and a smaller one for children. You can also find a gourmet lounge next to the pool, and a chill out space on the rooftop, ideal for summer evenings and gatherings with friends and family with the Mediterranean sea in the background.

The complex is surrounded by green areas for walking and sports. An ideal environment to enjoy a wide range of leisure activities for the whole family: water sports on demand, golf, horseback riding, cycling routes, restaurants ... and all the adventures you can imagine by land and sea.
