The development is a complex consisting of 25 two-level villas with various models available: detached or semi-detached villas with 2 or 3 bedrooms and 2 bathrooms, and private gardens with a communal pool area.

In the second phase, optional private pools and parking areas are some of the specifications of this incredible project.

With a distinctly Mediterranean design, the complex stands out for its use of durable materials and the highest quality finishes. Natural textures and pure colours are combined with the best construction features, achieving an optimal layout to connect spaces.
