The development represents the essence of the Mediterranean, warm simplicity that tastes like vacations.

Plenty of light thanks to its L-shaped floor plan in which all rooms enjoy freshness and exterior views of the exterior noble area of the house.

These villas are located in the La Herrada de Los Montesinos urbanization, a municipality with a Spanish essence that enjoys excellent services, schools, bars, restaurants, sports and natural areas such as the La Mata and Torrevieja lagoons. And all this, with the convenience of being just a few minutes by car from the beaches of the southern Costa Blanca, famous for their warm waters and exceptional services and access.
